We, the Seniors of 1960, proudly present this book to you; may it be an unbreakable link in your chain of memories.

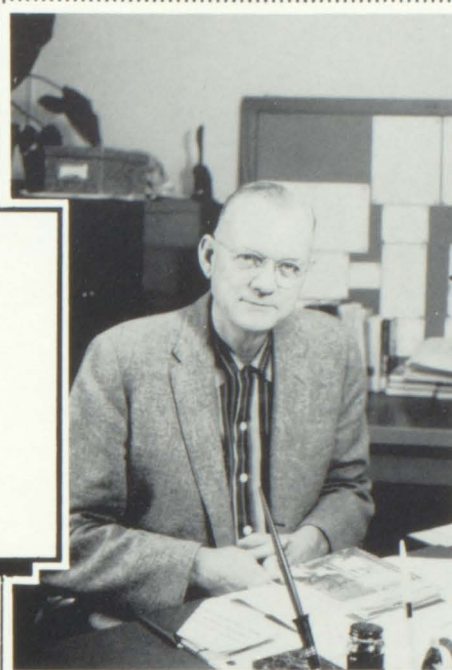

We, the Senior Class of 1960, dedicate this annual, The Trojanaire, to Mr. Melvin J. Nicol who has been a great inspiration and help to us throughout our years at Maroa-Forsyth High School.

## *Superintendent's Message*

Size alone, large or small, does not guarantee quality in education, whether we are referring to classes, high schools, colleges, or salaries. It is only the individual teacher who can bring quality in education. Our teacher's familiarity with content, their proven technique, manners of presentation, curiosity, sensitivity, understanding of the world about them, and the people in it, dedication to serving others in a friendly atmosphere, are several phases of inspiration in our high school.

# *Class Poem*

The year '56 is the scene  
With initiation and such,  
Its the start of the begin  
And the close of very much.

As the next year came  
Some said, it's getting hard,  
But you know it's all the same,  
When education is being carved.

'59 was the year  
We juniors crashed the scene,  
Hope without fear  
For we were always quick and keen.

And then it's here  
The year we'll never forget  
No more is it just near  
For now we wish for more and yet,  
We know it's not in vain  
You'll carry on just the same.

By Carol Windlan

# Class History

Our graduation seemed far away to us as we enrolled in Maroa High School as freshmen in the fall of '56. Mr. "Kay," as sponsor, introduced us to high school. As class officers we elected: Carol Merrifield, President; Junior Odle, Vice President; Judy Allsup, Secretary; and Mike Townsend, Treasurer. Our candidates for Homecoming Joanne Williams and Judy Allsup, were escorted at the dance by members of the varsity football team. Christmas time finally rolled around and our Christmas Dance candidates were Jenna McMillen, Joanne Williams, Laverne Malone, and Ron Terrell. As freshmen in 1956, we, perhaps more than anyone, knew the pride of having a state tournament basketball team come from our school.

Our Sophomore year found us with a new advisor, Mr. Petrowitch. The class elected President, Sheldon Nicol; Vice President, Junior Odle; Secretary, Jenna McMillen; and Treasurer, Mike Townsend. Homecoming festivities found us with Joanne Williams, Judy Chalcraft, Laverne Malone, and Mike Townsend as our candidates for the dance. Time passed rapidly and before long Christmas time and the annual Christmas dance were again here, when we chose our attendants, Roberta Traxler, Judy Chalcraft, Laverne Malone, and Mike Townsend. After the third dose of semesters we moved into the remainder of the school year.

Our next year started off with the addition of another sponsor, Miss Janssen, to help share the load of Junior activities with Mr. Petrowitch. Officers for '58 and '59 were President, Ron Terrell; Vice President, Carol Merrifield; Secretary, Roberta Traxler; and Co-Treasurers, Jenna McMillen and Mike Townsend. For the two big all-school dances were: for Homecoming, Connie Perkins, Judy Chalcraft, Richard Bennett, and Laverne Malone, and for Christmas Joanne Williams, Connie Perkins, D'Wayne Lynch, and Ron Terrell. This spring found us presenting our first class play and planning the Junior-Senior Prom.

Seniors at last! Ron Terrell as president, Richard Bennett as vice president, Sheldon Nicol as secretary, Mike Townsend and Laverne Malone as co-treasurers are to lead us with the help of Mr. Lovell, our senior sponsor. Our class now numbers thirty-nine. We seniors elected Connie Perkins, Joanne Williams, Mike Townsend, and Laverne Malone as our Homecoming candidates. Joanne and Laverne were crowned Queen and King. "A Date with Judy," a three-act comedy, kept us busy between Homecoming and the fast-arriving Christmas dance. Our candidates for this Winter formal were Connie Margenthaler, Judy Chalcraft, Richard Bennett, and Junior Odle. Again our class held the royalty for the dance, for Judy and Junior were chosen by their classmates as Queen and King. Our last semester has fled like no other, and none has been filled with more history making events in our lives. We now leave with the mixed emotions of regret, and hope for the future.

- I, Joanne Williams, bequeath my ability to get a diamond during my senior year to my sister Juanita.
- I, Carol Windlan, bequeath the ability to rhyme words to anyone who thinks themes absurd.

# *Class Prophecy*

It is now 1970, ten years after we left M.F.H.S. The class of 1960 is sitting around in a pow-wow, discussing what has happened since we left school.

Mr. Chalmer Lovell, sponsor of the Senior Class, is pleased to see:

ROBERT MCKINNEY is the world's most famous beauty judge because he hates women and is therefore impartial.

DAN EDGECOMBE and ROGER LEWIS are now instructors at Forsyth Tech. They are perfecting "How To Type With Two Fingers."

TOM BIRGE is a Professional Pool Shark playing with the Eight Ball Billiard's team.

JUDY RONEY has her own TV Show, "Helpful Hints For Haggard Housewives."

LAVERNE MALONE is teaching his six sons the fine art of football, basketball, and waving at girls behind the coach's back.

JENNA McMILLEN is now a famous Broadway actress, her latest hit being "Disaster At Dry Gulch." (Cha Cha Cha)

ROSIE CREEKMUR is modeling Bikini bathing suit on the planet Pluto. Real Cool!

RODGER HUGHES is still trying to run around the world in eighty days. The question the nation is asking is: "Do you eat Wheaties or Cheerios?"

JUNIOR ODLE has his own airplane and is interested in searching for flying saucers. But the only ones he can find are those flying around the breakfast table.

RON TERRELL is now lecturing on the subject "Discipline of Teenagers."

CAROL WINDLAN is now a famous lyric writer for popular songs. Her latest hit is "Termites are a Tappin tonight." All the critics say it will be a bigger hit than "Davy Crockett." This song has everything, even words.

RICHARD BENNETT has just returned from Mars where he has been searching for a girl. They always said he was looking for someone out of this world!

THE HOWARD HILARITIES just opened in Las Vegas. Sue is certainly doing well, especially since she has D'WAYNE LYNCH, the wonderful ballet dancer, working with her group.

BARBARA BRELSFOARD has fulfilled her Life's ambition. She is married and traveling; that is traveling with the Navy.

Upon Graduation from M.F.H.S. CONNIE PERKINS was named head cashier for the First National Bank. She held this illustrious position for five years. We don't mention what she's been doing for the last five.

JANET WALTERS is now the Secretary-Treasurer at the Jennings Cabinet Shop.

JOANNE WILLIAMS is now a driver instead of a rider in Vernon Galloway's car. Oh!

Beg your pardon - Mr. and Mrs. Galloway's car!

RONN GOSSMAN, who never grows old, is still making eyes at all the pretty girls.

Beg your pardon - all the girls!

CAROL MERRIFIELD has found that everything is cheaper by the dozen, as she has just had her twelfth boy. Carol always was fond of boys.

RON WIKOFF has just taken over Johnny Weismuller's role as Jungle Jim.

No wonder CLINTON DAVENPORT looks down in the mouth. He is one of our country's leading dentists.

DIANA THRALL is a beauty operator. Although she is married, she still finds time to operate.

DAVID ALTIC is now traffic cop at the intersection in Maroa replacing "POP." All he does is stand on the corner and blow his whistle.

JUDY CHALCRAFT is now on vacation. She just flew in from Honolulu where she is the Professor of Surfboard Techniques at the University of Hawaii.

A. J. BROWN has just finished his novel INSIDE THE OFFICE. (The High School Office, that is).

MIKE TOWNSEND has invented a revolving roller rink. All you have to do is put on a pair of skates, hold on to the rail, and stand still while the rink does the work.

BOB COOPER is a farmer and is raising cane somewhere south of the border.

BETTY STINSON has just written a book on her philosophy of life. All she desires is a Rolls Royce, a few million dollars, and a variety of handsome male influences.

CONNIE MARGENTHALER and JUDY QUALLS are now flying for the Air Force. Connie is a parachute stewardess and Judy is a full-fledged parachute nurse.

LYNN RODGERS and BOB DOAK have earned their diplomas from the "Horseless Mounted Police College," in Vinegar Bin, Texas, and are stationed at Loretta's Doughnut Shop to quell any unnecessary disorder.

LARRY HICKS has perfected a new brand of coffee without caffeine or the coffee. He says it tastes just like dishwater.

ROBERTA TRAXLER, an accomplished pianist, was recently injured when she started to curtsy and fell from the stage.

SHELDON NICOL is now editor of the Prairie Post which comes out regularly on the second Thursday of each week.

WARREN FERRELL has his own airplane line. His slogan is "You're Safer With One Foot on the Ground."
